## Stagione Sportiva 2014/2015

# Comunicato Ufficiale n. 65 del 30 dicembre 2014

## COMUNICAZIONI DEL COMITATO REGIONALE

### CALCIATORI SVINCOLATI ART. 107 N.O.I.F.

### LISTE SUPPLETIVE – 1 / 16 DICEMBRE 2014 – STAGIONE SPORTIVA 2014/2015

Il C.R. Campania pubblica l'elenco dei calciatori che, nei termini di cui all'art. 107 N.O.I.F. (secondo periodo - *Liste suppletive*), sono stati svincolati dalle rispettive società di appartenenza.

Ogni singola società controllerà l'esatta corrispondenza dell'elenco pubblicato con quello dei calciatori da essa svincolati.

Come preannunciato alle pagg. 83 e 84 del C.U. n. 1 del 4 luglio u.s. del C.R. Campania, le liste di svincolo delle società di questo C.R. in ordine ai calciatori "non professionisti" e "giovani dilettanti" (ossia per tutti i calciatori tesserati con vincolo pluriennale nell'ambito della L.N.D.), per il **secondo periodo** degli svincoli, avrebbero potuto essere **depositate a mano presso il C.R. Campania nel periodo intercorrente tra il 1 ed il 16 dicembre 2014 (entrambi compresi)**, ovvero, ferma restando la data di **spedizione ultima**, come sopra indicata (16 dicembre 2014), **pervenire – a mezzo plico raccomandato con avviso di ricevimento – entro dieci giorni dal 16 dicembre 2014.**

Per i calciatori "non professionisti" e "giovani dilettanti" (nonché, in ordine alle società delle Leghe professionistiche, per i calciatori "giovani di serie"), che fossero stati tesserati entro il 30 giugno 2014, era consentita l'inclusione nella lista di svincolo del primo periodo; per i medesimi calciatori, che fossero stati tesserati entro il 30 novembre 2014, era consentita l'inclusione nella lista di svincolo del secondo periodo. In ogni caso, lo svincolo è consentito **una sola volta per ciascuno dei due periodi** (la prima nel periodo 1/16 luglio, la seconda nel periodo suppletivo, dall'1 al 16 dicembre). Lo svincolo è, altresì, consentito in ordine ai calciatori precedentemente, nel corso della stessa stagione sportiva, **utilizzati, anche più volte, in gare ufficiali.**

I calciatori "giovani", tesserati con vincolo annuale entro il 30 novembre 2014, potevano essere inclusi in "lista di svincolo", da parte della società di appartenenza, nel periodo delle liste di svincolo suppletive.

**Per l'applicazione dell'art. 107 delle N.O.I.F., sul Comunicato Ufficiale n. 1 del 4 luglio 2014, pag. 84, sono stati pubblicati i richiami alle Circolari ed alle modifiche all'art. 107 N.O.I.F. stesso.**

Ad esempio, mentre risulta confermato il diritto, del calciatore svincolato, di richiedere il tesseramento a favore di qualsiasi società a seguito dello svincolo "*in qualsiasi momento della stagione sportiva*", a seguito della modifica dell'art. 107 N.O.I.F., di cui al C.U. n. 109/A del 30 aprile 1999 della F.I.G.C., pubblicato in allegato al C.U. n. 95 del 17 giugno 1999 del C.R. Campania, è stato precisato che quel "*qualsiasi momento*" è valido, ma a condizione che **non sia ricompreso nei periodi previsti per lo svincolo**. In termini espliciti, **nel periodo suppletivo, dall'1 al 16 dicembre, il calciatore svincolato non aveva il diritto di tesserarsi: egli doveva attendere il giorno successivo alla chiusura del periodo di svincolo (ossia, il suo tesseramento non sarà valido, se è stato depositato o spedito nel periodo indicato; sarà invece valido dal 17 dicembre 2014).**

**Entro breve termine saranno pubblicati sul C.U. gli svincoli relativi ai calciatori, in ordine ai quali questo C.R. ha chiesto all'Ufficio Tesseramenti della F.I.G.C. le opportune rettifiche dei relativi dati anagrafici.**

Si pubblica, di seguito, a stralcio, l'art. 107 N.O.I.F. ("Svincolo per rinuncia"):

1. ... omissis ... L'inclusione in lista di svincolo di un calciatore "non professionista", "giovane dilettante" o "giovane di serie", purché tesserati entro il 30 giugno e il 30 novembre, è consentita una sola volta per ciascuno dei due periodi stabiliti dal Consiglio Federale. Salvo quanto previsto dal precedente comma, il calciatore svincolato ha diritto, in qualsiasi momento della stagione sportiva, purché non ricompreso nei periodi suddetti, di richiedere il tesseramento a favore di qualsiasi società...

2. ... omissis ... (I Comitati) pubblicano sui propri Comunicati Ufficiali, al termine del periodo previsto per gli svincoli, gli elenchi dei calciatori da svincolare...

3. **Le "liste di svincolo", una volta inoltrate, non possono essere modificate.**

4. Le Leghe possono chiedere alla Segreteria Federale, entro il 15 luglio di ogni anno, di non dar corso allo svincolo dei calciatori nei casi di inadempienza alle obbligazioni da parte delle società o degli stessi calciatori, riconosciuta da decisione degli Organi Federali competenti.

5. Avverso l'inclusione o la non inclusione negli elenchi di cui al comma 2 ed entro 30 giorni dalla data della loro pubblicazione in Comunicato Ufficiale, gli interessati possono ricorrere alla Commissione Tesseramenti nei modi e con le forme previste dal Codice di Giustizia Sportiva.

6. Le società hanno l'obbligo di comunicare al calciatore la loro rinuncia al vincolo, a mezzo di raccomandata con avviso di ricevimento da spedirsi non oltre il quinto giorno successivo alla scadenza del termine fissato dal Consiglio Federale per l'invio delle "liste di svincolo".

7. L'inclusione del calciatore in lista di svincolo vale come nulla osta della società al passaggio del calciatore a Federazione estera.
